

Steve Walls - Wedding Singer

If you are looking for first class Wedding entertainment, then look no further.

Whether your requirement is subtle swing & rat pack for the wedding breakfast, or music to dance to and party the night away, you couldn't make a better choice.

Steve has performed at most of the UK's prestige wedding venues over the years.

He covers everything from Michael Bublé, Take that, Journey, Van Morrison, Queen, George Ezra, John Legend and Motown right through to The Killers!

As with organising any wedding, there can be many worries, entertainment needn't be one of them. If you are looking for a superb vocalist, who can bring a "touch of class" to your wedding breakfast, or really kick start your party, then Steve Walls is for you.

Turn what would be a nice day, into a day you and your guests will never forget!
